

Welcome, On behalf of the GLARIN Regional Chapter of the Association for Radiologic & Imaging Nursing (ARIN) we would like to welcome you!

You now are part of a network of a great group of professionals in the Great Lakes area whose main goal is to provide quality care to their patients. We strive to keep abreast of the newest imaging procedures and are willing to share our knowledge and experience with each other. By doing this we can only improve our profession.

Our chapter provides quarterly meetings and educational opportunities. Our website keeps members informed of upcoming activities and our blog is an opportunity to network and communicate with other members of the chapter for information or collaboration on anything related to radiology and imaging nursing. We carry the same vision and values as our national ARIN organization which many members of this chapter are members and active participants.

We look forward to seeing you at our next event!

Sincerely,

The GLARIN Regional Chapter Board
