GLARIN VISION 2012

BY KAREN MARSHALL

GLARIN is off to an exciting start this year!! We had our first leadership meeting last week with our new leadership in place. Everyone is very motivated and energized to create new ideas for our chapter! Below is a list of our new leadership with their emails, please welcome them!

I wanted to take this opportunity to thank Jim LaForge for his guidance as our GLARIN President last year! We had a great year with our newly formed regional chapter having so many accomplishments. THANK YOU, JIM!

I am excited to announce that we have been invited, as a chapter, to lecture an entire workshop at the National ARIN Conference in San Francisco, California this upcoming March 24th! The topic is: "Keys in Building and Strengthening your Chapter". We have an opportunity to reveal to everyone the accomplishments that our chapter has achieved and be able to demonstrate to others how to build the same elements for their own chapter. GLARIN will obtain local CE for our chapter during this lecture and broadcast it LIVE for YOU!! (The CE will be about 4 hrs!) This recognition is a true testament to our leadership and our members who have put forth an outstanding year. Thanks to everyone for your involvement and membership!

I feel so privileged to be involved with such a dynamic group of professionals!! I am looking forward to this upcoming year!

GLARIN POLL

We are re-thinking the timing of our Annual Symposium. 2011 was held in May. We would like your opinion:

- Would you be more likely to attend an annual symposium held in May, September or January??

Let us know your opinion, email us at: executive@glarin.org.

DID YOU KNOW??

- Glarin membership is currently at 152 active members and increasing
- Glarin is in the running for a National Chapter Award
- Glarin has a new leadership team with 19 members...WOW!! (see pictures/bios at www.glarin.org)
- Glarin is developing a membership packet to help promote our chapter
- Glarin will be applying for our own Providership Status for Continuing Education.

SCHOLARSHIP RECIPIENT

Congratulations to Brandy Piper who was the recipient for the 2012 Glarin Scholarship a \$395 dollar award that will pay for her entry into the ARIN Annual Meeting in San Francisco. See you in March Brandy!!!!
